**KEEPING TORRANCE SAFE WITH...**

**WHEN YOU HEAR THE COMMUNITY  
ALERT SIREN "WAIL..."**

-  **Shelter** • Stay or go indoors
-  **Shut** • Close doors, windows and fireplace flues
-  **Listen** • Tune to Torrance's 1620 AM or Channel 3 for updates & Instructions

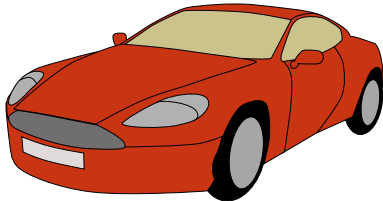

## In Addition to Shelter. Shut. Listen...

- Turn OFF thermostat and close vents.
- Cover nose and mouth with damp cloth and seal windows.
- Once "all clear" is issued, air out the building and go outside.

## Vehicle Shelter In Place:

### In a Parked Car:

1. DO NOT start the engine.
2. CLOSE windows, vents; turn OFF AC/heater.
3. Tune to 1620AM for updates and instructions.

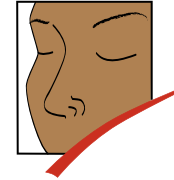

### While Driving:

1. Continue driving unless instructed otherwise by emergency or traffic authority.
2. CLOSE windows, vents; turn OFF AC/heater.
3. Tune to 1620AM for updates and instructions.
4. If your vehicle stalls, DO NOT start the engine.

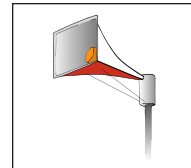

## Tools In Place to Alert You to Shelter In Place:

For the first few minutes of a chemical emergency, you may need to rely on your senses. If you experience nose, throat or eye irritations, **Shelter In Place**.

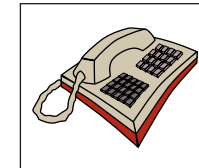

Your Senses

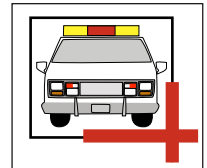

In addition to your senses, the systems below will alert you to **Shelter In Place**.

Community  
Alert Siren

City Watch  
Emergency Telephone  
Network System

Emergency  
Services

*Please note:* The Community Alert Sirens are tested the first Wednesday of every month at 11:30 a.m.

It is not necessary to **Shelter In Place** during the monthly test.

The siren test includes a two-minute wail preceded and followed by one-minute chimes and is audible outdoors from a 1.2 mile radius.

During a real emergency the chimes will be absent and the wail will continue. **Shelter In Place** until the chimes sound or an "all clear" message has been issued.
